

Exhibition > Showreel Exhibition

Monday 8 October (6.00pm) until Wednesday 10 October (3.00pm)

Call for Content for the Visualisation Showreel, APAC07:

We are pleased to announce a call for submissions for a visualisation showreel that will be presented at the APAC07.

You are invited to submit animations arising from visualisation outcomes from within your organisation. The selected animations will be compiled into a showreel and projected at APAC07 using a high resolution widescreen HD projector (1920x1080 pixels). The content will also be made available to attendees as a DVD.

This is an excellent opportunity to showcase your work to your colleagues and a broader audience.

If you are interested in contributing and would like more details on how to submit material, please contact Paul Bourke: email (paul.bourke@uwa.edu.au) or phone (08 6488 8097).

Conveners:

Paul Bourke, University of Western Australia

Drew Whitehouse, The Australian National University
